Feel Better Fast!
 Take PRUVO, the faster-acting analgesic that goes to work in just minutes! Gives you relief of aching, nagging, minor pains that often spoil your work, playing, relaxing or sleeping hours. PRUVO contains two special ingredients - Salicylamide, considered to be more effective and faster-acting than aspirin - plus important, bone-benefiting Vitamin "C". Acts fast because it dissolves instantly. No waiting for heavy later coatings to dissolve or possibility of passing from system prematurely. Won't upset stomach. No habit forming drugs or narcotics. Safe even for those with heart condition or high blood pressure. Only \$1.50 for 75 tablets, or save on economy size bottles. Your druggist can tell you there is no non-prescription pain reliever, even at twice the cost, that contains such necessary ingredients as has as much potency per tablet as is found in PRUVO. You must be satisfied with trial size or your money back! Ask your druggist for PRUVO today and feel the difference!
