## Jaycee Bowlers Named Second

The Mount Joy Jaycee bowling team won second prize in a contest Saturday in Mount Holly Springs in which 28 Jaycee teams from central Pennsylvania competed. The local five had a final score of 2513 to be named second following the Newville first place team.

Members of the team — Park Neiss, acting captain; Charles Johnson, Ragner Hallgren, John Landis and Marlin Frey each received an electric grill-ovenette for their prizes. A prize was also awarded to one player on each team who bowled nearest the average of the team. Since the local's average was 502, Mr. Hallgren was awarded the special prize with his 510 total. The contest was sponsored by the Carlisle Junior Chamber of Commerce.

I'm sure everyone has seen the TV show, "Shock Theater". There is a song take-off from the show, "Dinner With Drac", by John Zacharie. It is made up of part 1 and 2. John is a new face in the record business, but his weird "Egor" sound has become a great favorite.

The number one position in the York area is an instrumental, "Tequila", by the Champs. This has a definite rhythm and beat which is very popular.

You all remember the Crickets' big one of last summer and fall, "That'll Be The Day". Well, they have another big hit, "Maybe Baby".

Lewis. He recently had a big hit that is still in the top 50, "Great Balls of Fire". Remember "Maybe" by the Shattell's? They have another pretty recording, "Every Night". I'm sure this is a hit for them. "At the Hop", by Danny and the Juniors, was such a success, they already are doing swell with "Rock and Roll is Here to Stay". This follows very much on the same line as their first one.

The Cordetts have had their hot seller, "Lollipop" out only a few weeks and already it is rated as a hit. Chuck Berry is doing well with his "Sweet Little Sixteen". This has definitely got what it takes for a top seller.

The easy man, Perry Como has two equally good numbers, "Magic Moments", and "Catch a Falling Star". A nice dance number is by Dickey Doo and the Dons, "D'd You Cry", backed by "Click Clack".

Paul Anka is plugging two new releases, "Crazy Love" and "The Bells Keep Ringing". Which one will be his hit? Only time will tell. "So Tough", by the Casuals does not sound like much from its title, but it is getting a good many D. J. spins.

Last, but not least, is a beautiful melody and lyrics sung by George Hamilton IV, "Now and For Always". His "Why Don't They Understand?" is still high in popularity. The favorite around here with everyone seems to be an old tune done up in a new style by Richard Barrett.

## CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,\* the tremendous flexibility of the new Turboglide transmission,\* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!
