About This Question:
 "Traffic has become so heavy, and speeds so great, that one can hardly expect to come thru the year without an accident. I hear that 'Medical Payments' endorsement will cover me and my family in any accident involving an automobile. Is this 'medical payments' coverage a standard part of an auto insurance policy from your agency?"

Two Awards To Be Presented

The Mount Joy Joycees decided to again award trophies to the outstanding boy and girl sports at the Donegal High School. The trophies will be presented in a special senior awards assembly tentatively scheduled for May 29.

Members discussed the forthcoming "Seventy-five Plus" banquet scheduled for May 22 at Hostetter's. Reports were given on the completed Easter bazaar and party for the children of the Messiah Children's Home.

A covered dish supper was planned for the May meeting of the group. Mrs. Charles Drace, newly elected president, took charge of the meeting, following the opening by outgoing vice president, Miss Joanne Brown.

OLD TIMERS NOTES
 All invitations to the Old Timers 9th annual dinner and reunion have now been mailed out.

Again we say you do not need an invitation, all you must do is call the Steward of the Lezion or OL3-9804 or OL3-4471 before May 5, 1958. Professor Uncle Charles Maysler of Lancaster, Ex-Football and wrestling coach will be with us. Uncle has only missed one dinner in the nine years of the organization and believe it or not he is eighty-three years old, so if any of you Old Timers think you are too old forget about it and come out and meet the rest of the boys.

Sam Strine of the Old Hershey O'ives basketball team will be on hand. Everett Hooks Mylin will be the speaker, he has held coaching jobs in football in Lebanon Valley College, Lafayette College, and New York University. He is well known among the Old Timers as he also starred on F & M's football team of 1914 & 1915.

Gabe Martin of Wrightsville former ball player with Mt. Joy will be with us.

More next week on out-of-town replies.

TREES REMOVED
 Between nine and twelve trees are being removed north of Cedar Lane by Mt. Joy borough employees. These trees are being removed because they are infested with caterpillars. Last summer the caterpillars invaded the homes of the area to the point that if the owner washed them down from the home on one side, they returned to where he started, the house would be covered with them.

According to reports, the trees are again infested this year.

LOCAL SKATERS TAKE
 Several local skaters participated in the annual "Ice Fantasy" of the Hershey Junior Figure Skating Club Friday night in the Hershey Sports Arena. "Trip on a Great Big Ship" was the theme of this year's show.

Local skaters who participated were Jo Ann Bennett, Marietta Street; Sally Hanna, North Barbara Street; Peter Holmes and Christopher Sloan, Marjorie Sloan and Richard Sloan, Florin.
