## Combined Scout Sixty To Take Merit Tests

More than 60 students at the Donegal High School took the National Merit Scholarship Qualifying Test, Ragner Hallgren, Guidance Counselor announced today. The test was administered at the high school at 9:00 a.m., Tuesday, April 29.

An estimated \$5 million in Merit Scholarships and other awards are at stake in the national competition, now beginning its fourth year. Some \$12 million in Merit Scholarships have been awarded in the first three years of the program.

Senior Girl Scouts from Mount Joy and Maytown will prepare an outdoor meal for the occasion. In case of rain, the meeting will be held in the basement of the Mr. and Mrs. James Spangler home, Park Ave. During the business meeting the election of officers will be held. The meeting will also serve as an introduction to newcomers to the site of the annual Day Camp planned again this year for Little Chiques. Mrs. Warren Foley of Mount Joy, and Mrs. Robert Spangler, Marietta, will have charge of the affair.

Merit Scholarships are provided by some 80 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself, which conducts the competition.

The National Merit Scholarship Qualifying Test is a three hour measure of educational growth and aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned rather than on sheer knowledge of facts.

A group of 10,000 students composed of the highest scorers in each state, will advance to the Semi-final when the results are reported to all participating schools next fall. Semi-finalists will then take a second examination. Those who repeat their high performance on the second examination will become Finalists in the program and will indicate their choice of college and course of study.
