character and good citizenship, I is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and sup-port the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material support. Plan to go to
church regularly and read your Bible daily
