## PULL HARD!

All's fair in a tug of war! At least, that's what the children think. And, as I watch them playing, I realize how relatively simple life is when you're a child. Then, a tug of war is something purely physical. Later, it is more apt to be mental—a matter of personal decision.

Some of the most important moments of our life present us with mental tugs of war. Then, we need a lot more than a rope to hang onto. We need courage and faith, a high sense of moral values, and the ability to distinguish between right and wrong.

These are the kind of things the Church teaches. That is why my children attend church regularly. One day, I know, they will be facing another kind of a tug of war. Their church training will help them make the proper choice.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
