**How Postal Hike Affects Business**

The following summary of postal rate changes undoubtedly will affect your business expense. Principal changes for local firms occur in 1st and 3rd Class as well as Air Mail.

NOTE: New minimum weight is 16 oz. (formerly 8 oz.)  
 Here are a few ideas to cut mailing costs as suggested by the National Retail Merchants Assn:  
 1. Use 3rd Class mail whenever possible.  
 2. Consider using regular mail instead of Air Mail on Fridays or before a holiday. Regular mail may be just as fast.  
 3. Do not use Air Mail to cities within 450 miles or cities with infrequent air service.  
 4. Avoid 1st Class charge for heavy enclosures with letters. Send them separately via Parcel Post.  
 5. In sending Parcel Post do not use Special Delivery where Special Handling will suffice.  
 6. Where possible use Certified rather than Registered mail.  
 7. Consider possible advantage of self-insuring Parcel Post.

 "I think the government should create an over-all agency to regulate and begin to work out plans . . . to plan and to coordinate economic factors in our national economy. . . . We have not forgotten that free enterprise did not meet the requirements of war, and it will not meet the requirements of peace." Walter Reuther, in "The CIO, Communism and Free Enterprise."

**GOODNITE LADIES HELD AT GREINA FOR FOURTH WEEK**  
 The Greina Playhouse is making history with the announcement that "Goodnite Ladies" will be played a fourth week on the stage of the popular Mt. Greina Summer theatre.

JACQUELYN HYDE

No other play has been held over that length of time, but audience reaction to the farce, also known as "Ladies Night In A Turkish Bath," has prompted the action by Gene Otto and Charles Coghlan, Playhouse officials.  
 Ray Rizzo, Warren Crane, Jackie Hyde, Lyn Alstad, Marian Primont, and Gene Galvin continue in their roles. Most recent addition to the cast is Kitt Cooper, petite Broadway actress and model.

**LOCAL ARCHER POST HIGHEST SCORE**  
 W. W. Halter, 425 Columbia Ave., Mt. Joy, took first place honors in a 28-target regulation field archery shoot held Saturday, Aug. 23 at the Big Chiques Bowmen Archery Club in Elizabethtown.  
 Halter's score was 471, which is the highest score ever shot during competition at the Big Chiques field course.  
 Halter also placed third in the free style division in the Southeastern Regional Shoot of the Penna. State Archery Assoc., held at Palmyra, on Sunday, Aug. 24.

**MIDGET BASEBALLERS TO SEE BIG LEAGUERS**  
 Some 40 boys of three Midget Midget baseball teams will see the Boston-Baltimore baseball game in Baltimore on Sunday, Sept. 7.  
 Boys of all three teams will hold a meeting at 6 o'clock Friday (Aug. 29) at the city park.

**PICNIC PLANNED**  
 The annual picnic of the Walter S. Ebersole Post 185 American Legion will be held at the posthome grounds Sunday, August 31. The affair is scheduled to begin at 1:30 p.m.

**Court Bans Hot Cargo**  
 In three companion cases the United States Supreme Court has by a 6-3 decision held that "hot cargo" clauses in contracts do not constitute a defense to boycotts which otherwise violate the Taft-Hartley Act. Justice Felix Frankfurter wrote the opinion for the majority. Justice Douglas wrote a short dissent for himself and for Chief Justice Warren and Justice Black.  
 The Supreme Court's decision upholds the National Labor Relations Board which held the unions concerned violated secondary boycott provisions of the Taft-Hartley Act. The cases involved disputes between the Sand Door and Plywood Company and the Carpenters and the American Iron and Machine Workers and the Machinists and the Teamsters.

In a news release Herbert S. Thatcher, special counsel for the Teamsters, pointed out that under the Supreme Court's decision unions are still free to enter into various types of "hot cargo" agreements and can enforce them in all ways except by direct appeal or instructions to the employees themselves not to work.
