Needlecraft Guild Needs Clothing Gifts

The Mount Joy Unit of the Needlecraft Guild of America are participating in the observance of national Membership of the organization.

One of the approaches to "problem children" taken by the Guild is aiding in providing ample supplies of new clothing for agencies which work with underprivileged children and teen-agers.

They feel that maybe "problem children" are just children with problems—some of which may be inadequate, shabby, ill-fitting clothes, hand-me-downs that are all wrong.

Gifts of two or more new garments for infants, boys and girls and men and women to the local Guild Branch are welcome.
