THE CHURCH FOR ALL
ALL FOR THE CHURCH
The Church is the greatest factor in earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Philippians	1	3-6
Monday	Philippians	2	1-5
Tuesday	1 John	1	5-7
Wednesday	Ephesians	5	25-28
Thursday	1 Peter	5	25-33
Friday	1 Corinthians	7	10-17
Saturday	Romans	12	4-5

It was autumn, and as we looked out at the beauty of the valley Bruce asked me to marry him. Though I loved him, I was afraid to say yes.

I've always been a church-going person. Bruce wasn't. I knew that before I could marry him I would have to show him how much the Church meant to me. I asked him if he would start attending Sunday service with me.

He did; and in the beginning I knew that he was coming only to please me. Then, as time went on, I could see that the Church was beginning to have a new meaning for him. And finally the day came when he turned to me and said, "I had no idea what I had been missing."

That was the turning point. Bruce and I have been married five years, now—and you'll still find both of us in church each Sunday.

ABOUT THIS QUESTION:
"I thought I was fully insured but my direct-writer insurance company didn't carry all lines of insurance. When I had a personal accident and later a liability suit I had no insurance to cover the losses. Do independent local agents handle all lines of insurance and provide a free survey service to assure complete coverage of all risks?"
