A century or so ago, makers of fine hats would use no felt other than that made of beaver fur.

BICYCLE STOLEN AT FARM SHOW

While helping with the pony rides at the local community exhibit, Michael Buller had his new bicycle stolen. The theft took place sometime Saturday evening between the time of darkness and 10 p.m. His parents reported the theft to local police but the whereabouts of the bicycle could not be located.

Mickey and his mother had taken on a job of selling celery in town in order to earn the money to purchase the bicycle. If any persons know of the whereabouts of the bicycle they are asked to contact Mr. and Mrs. Charles Buller, North Barbara Street.

CHOE CHUNG FINDS HIS MOTHER

Choe Chung, the Korean "orphan" who was sponsored for the past two years by gifts from the students of Donegal high school, will no longer be sponsored. His own mother found him recently and he now is living with her.

According to reports given, this is not unusual in Korea. Parents who were separated from their children during the war sometimes look for a few years to try to find their children.

Gridmen Bow By 27-0 Score

Donegal's gridironers again failed to score as they took a 27-0 defeat Saturday on the home field, bowing to Manheim Twp.'s Blue Streaks.

The visitors averaged a touchdown a quarter as they rolled up 395 yards from scrimmage and totaled 28 first downs against Donegal's two.

Indian fans found themselves left to cheering for some nice defensive plays, a 66-yard punt by Harnish, a 40-yard run by Gringrich — and for the band.

Saturday Donegal invades the stronghold of Manheim Central.
