MRS. MILDRED RISSER Correspondent

The Hemphield Sertoma Club held their weekly meeting at the Mount Joy American Legion Home on Wednesday evening, Oct. 22 at 6:30 p.m.

Program for the evening was furnished by Mr. Lawrence Carey, who showed films on the official Soap Box Derby and gave an explanation of its organization.

Judy Weller has been named the new Student Council president for Hemphield. Coming to Hemphield her sophomore year, she immediately began to take part in Student Council activities as a homeroom representative. Since her arrival at Hemphield, Judy has taken part in other activities besides Student Council. This year she will serve as vice president of the Leaders Club, serving on the Epilogue staff and playing on the hockey team. Excelling in dancing herself, she began to give lessons last year.

Due to the growth of the school population at Hemphield, the music department has had to expand its organizations so that more students will be able to participate. Several new choruses have been added to take care of all those interested in singing. The select group of senior high singers, "The Hemphield Singers," will participate in the Christmas Candelight Program. They will also present part of the Christmas program in local

and days a little shorter, such is the case of Mr. John V. Witmer, Elizabethtown R1 son of the late Mr. and Mrs. Harry Witmer. I am sure just a card and your prayers would be more than appreciated. It takes such a short time to send a card, and such a long time to regain your health.
