thing should be done." With the exception of Main street, Donegal Springs Road is in need of attention more than any other arterial roadway leading into Mount Joy. Marietta avenue also needs attention but not as critically as Donegal Springs Road.

Borough officials say that they do not want to do too much to the street because it's a state highway and they hope to be given some financial aid for the improvements.

RARE DISCUSS FUTURE
Chief Herr, Lancaster, poked to all the junior and senior boys at Donegal high school about their armed forces requirements. He discussed the possibilities of the Naval Reserve program in Lancaster. The program was arranged by the guidance department.

TEACHER RESIGNS

Mrs. Frederik Manborg, physical education teacher at Donegal high school, has resigned her position. At the present time Mrs. Marshall Gemberling is teaching part-time with Miss Mary Strickler also taking some of the classes.
