ABUNDANT LIFE by ORAL ROBERTS

HOW YOU CAN CHANGE THE WORLD Within days, Jesus of Nazareth released enough power, energy and ideals into human society to change the believing of mankind forever. Within weeks, Jesus of Nazareth became a source of wonder, and his fame spread throughout the land. Within months, the human race was lifted to new heights of hope, expectancy and joy because of the movement and excitement of this one man. Your movement, too, can excite the world when you allow Jesus of Nazareth to inspire your soul. No man has ever come up to the mark of the high calling of Jesus Christ, yet there is the challenge which he left with every man, woman and child who has been born since or who ever shall be born: "He that believeth in me, the works that I do shall he do also; and greater. . . . Through twenty centuries, age by age, various men among men have become giants of achievement after the example of Jesus of Nazareth. They became changers of our world, of lives, of destinies because he called them. Jesus of Nazareth went about doing good. He healed the broken-hearted. He set the captives free. He made people every whit whole in body, soul and spirit. He released them from the bondage of fear. He gave them courage and power over all the power of the enemy. He made the lame to walk, the blind to see, the dead to rise. He healed every manner of disease and taught faith, hope, love and charity. He changed the world. He showed us what God is like and what God wants to do for us. He gave us the power to do the things of God as he did them, after his example. Compare the life of Jesus of Nazareth with any other the world has ever known, and you will realize that to follow any other is to follow a will-o'-the-wisp. You will know that to fail him is to fail your destiny. Jesus of Nazareth calls all men to follow him. He calls YOU. He says to every man, woman and child of today and every age: "Be followers of ME. Do the works that I did, and greater. Don't be hearers of the word only, deceiving yourselves. Don't be just dreamers. Be doers. Change the world." What a challenge. Jesus performed many mighty miracles, not merely to prove that he could do it, nor only to prove that he was the Son of God, but also to show mankind what he made possible for their lives. People throughout the ages, who never made any impact upon anybody, people who had known no miracle of their own, who lived little, drab lives, and who didn't amount to a "hill of beans," suddenly became transformed as they looked, listened and BELIEVED in the presence and reality of Jesus. They began to change the world. Jesus of Nazareth is the living Son of the living God, the same yesterday, today and forever. Let him change you, and you are certain to change the world.
