Nursing Club Cancer Survey Invited To Capping

The Nursing Club of Donegal high school has been invited to attend the Capping exercise of the Harrisburg hospital school of Nursing on Friday, Feb. 26.

The club will travel by bus, accompanied by Mrs. Mary Sarver, Miss Lily Martin and Mrs. Sadie Brooks, R.N., club adviser.

Miss Joyce Berrier, daughter of Mr. and Mrs. Ralph Berrier, N. Barbara St., Mt. Joy, will be capped at this time. She was graduated from Donegal high school last year.

At the present time, 12 members of the Club are serving as Volunteer Nurse Aides at St. Joseph's hospital. Other members have assisted the School Nurses in Testing and Immunization program.

Representatives from various branches of the Medical and allied professions have presented programs to be presented on Thursday, Feb. 25, to two student Nurses from the General hospital in Lancaster.

Miss Nancy Diller and Miss Joan Hart will discuss their life as a student nurse with the 53 girls who are enrolled in the Nursing Club.

He was born in Mount Joy Twp., a son of the late Abram and Susan Peters Garber.

He was a resident of Mt. Joy for 65 years and was a retired employee of J. C. Snavely and Sons, where he was a truck driver for 21 years. Earlier he was a truck driver for Clarence Schock, Mount Joy, for 21 years.

His survivors include his wife, Ruth Byerts Garber; four sons, Harry B. and Fred H., both of Mount Joy R2, David W., Taipei, Taiwan, and William F., Blue Island, Ill., and 10 grandchildren.

Funeral services were held Sunday afternoon from the Heilig Funeral Home and burial was made in the Eberle Cemetery.

When in need of printing, remember The Bulletin.

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time.

6'S SWORN TO SAVE Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls.

SLICK NEW SUBURBAN CARRYALLS These handsome new handy haulers "double in brass" - can transport eight passengers or up to 950 lbs. of payload.

CABS FOR BIG GUYS Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs.

NO SHIMMY, NO WHEEL FIGHT Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

TORSION-SPRING RIDE Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body.

With independent front suspension there's a brand-new, smoother, easier handling feel behind the wheel.

These handsome new handy haulers "double in brass" - can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary.
