ABUNDANT LIFE

by ORAL ROBERTS

THERE IS NO DISTANCE IN PRAYER

God is here where I am; He is there where you are. God is everywhere. Because He is, there is no distance in prayer.

When you pray to God, or someone prays to God in your behalf, no matter where you are or that person is, God hears. Since God is everywhere, faith—wherever it goes into operation or wherever it is released—works! It moves God where He is, and He works there, and He works there, performing the miracle of deliverance where it is needed.

Recently I made a recording of a radio program in Tulsa, preaching the sermon on deliverance and praying the healing prayer. When this program was later put on the air over more than 300 stations in America and several powerful foreign stations, the power of the gospel preached in Tulsa carried through to the listeners.

I heard later that a woman who had been seriously ill in Norway had heard my voice over Radio-Luxembourg. My program was in English, and, although she could not understand me, she reported that she felt compelled to listen closely. As my voice uttered a prayer, the woman said she felt the surging of God's power enter her body. In the flash of a second, God had healed her!

This woman related her experience through an interpreter, and I was given the message sometime after her healing.

There is no distance in prayer! The Bible was written thousands of years ago in different

places on earth by different men. All were moved by the Holy Spirit. The words of these writers are put together on today's printing presses, bound in one volume and sold to us in book stores. We open that book and read the words of God—words God had men write down for us.

Widely separated from the time and place it was written, the Bible has the same effect upon us today that it did the day it was first revealed.

Believe the Bible today, believe that God answers prayer and God will deliver you completely—in soul, mind and body.

God loves people. He wants to be near us. He gave us Jesus to speak with us face to face, to touch us with His hands and heal us, to bless us and give us His power—abundant life!

That is why God sent Jesus, who got as close to people as He could with His hands, His voice, His robe. Then He died for people, rose again, ascended back to Heaven, interceded for men, gave gifts to them, promised to come back for them.

One thing Jesus made clear—there is no distance in prayer! Jesus' hands laid upon the sick were powerful to heal. But His spoken word was just as powerful as the touch of His hands. He could heal in person, and He could heal at a distance.

Jesus can heal you now and give you abundant life if you will only believe and trust Him.

There is no distance between you and Christ. There is no distance in prayer.
