TO SHOW FILM

Girl Scouts of the Donegal area and their parents are invited to attend a film "Camp Time Anytime" on April 19 at 7:30 p.m. at the Old High School auditorium, Poplar Street, Elizabethtown. A question and answer period will follow on Day Camping and Furnace Hills Camp.

NEW BARN EQUIPMENT

As a milk conveyor Ivan Parkin, Penn State extension dairy specialist, likes the around-the-barn pipeline. Other types of milk conveyors include the single-line system and the dumping or pumping station.

When in need of printing, remember The Bulletin.

Sat., April 9 - 1 P. M. - Big dispersal between Troy and Williamsport, on Rte. 14, 2 mi. s. of Canton. TEST SOIL FOR POTATOES
A complete soil test is essential for each field planted to potatoes, reminds Elmer Pifer, Penn State extension agronomist. Intended use of the crop also is a guide to choice of fertilizer and the amounts to be applied to get satisfactory yields and the quality desired.

GROW HEALTHY VEGETABLES

Many home gardeners have trouble raising certain vegetables because of disease infested soil. Allen Bauer, Penn State extension plant pathologist, explains that a rotation helps control short-lived organisms, but in many cases resistant varieties must be used.

BUY EXTRAS IN SOCKS

It pays to buy extras in boys' and men's socks, states Thelma Baiert, Penn State extension clothing specialist. Selecting two or more pairs of the same brand, size, and color helps match up pairs and creates savings in the long run.

Shrubs should be mulched

where there is no snow and the ground is frozen. Apply the mulch only when the ground is frozen. Mulch provides an insulating blanket and keeps the soil from heaving (caused by alternate freezing and thawing).

Farm safety is a family affair, reminds Ralph Patterson, Penn State extension agricultural engineer. He points out that the farm family's very existence depends upon the well-being and safety of every member.

The Bulletin, Mount Joy, Pa. Thursday, April 7, 1960

The cost of a college education has doubled in the last fifteen years. By 1970 experts estimate a college degree may cost as much as \$10,000.

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ...UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models - 6's and V8's together - list for less than comparable models of other low-price cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you - at no extra cost - that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

For economical transportation

See your local authorized Chevrolet dealer for fast delivery, favorable deals
