God must love beauty, to use it so lavishly. The Master Artist dapples the soft green leaves with golden sunshine, turns the brook to flowing crystal, and puts a song into Spring itself.

There is beauty in us, too . . . because He put it there. In His sight, none of us are ugly, none of us are forsaken, none of us are "lost."

But sometimes, in the busy process of day-to-day living, we turn blind eyes upon the world's loveliness, and take for granted the gifts which should brighten the hours and years. We need a faith that gives us vision to find again the inner beauty He gave us in the beginning . . . a gift which He never takes away. Let us go, then, to His Church. Let us "enter into His gates with thanksgiving . . . for the Lord is good; His mercy is everlasting; and His Truth endureth forever."
