FOUR STRINGS

Only four strings! But these four strings offer endless possibilities of tone and harmony. They open to man new horizons of beauty and happiness.
 And yet, improperly played, these four strings can bring forth unbelievable discord!
 There are four strings in life - with similar possibilities. Mind . . . Character . . . Courage . . . Faith!
 The truths that fill our minds, the ideals that mold our character, the purposes to which our courage is given, the realities in which we believe; these can fill our lives with rich beauty and happiness or drab ugliness and sorrow.
 For centuries the Church has been the maestro of these strings of life - helping men to bring from their own souls the harmony and beauty God has put there.
 You can find music in everyday living through participation in the work of the Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
