neither democracy nor civilization can survive. There are four sound reasons

why every person should attend service

of the Church itself, which needs his

moral and material support. Plan to go

to church regularly and read your Bible

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH The Church is the greatest factor of earth for the building of character and ood citizenship. It is a storehouse of piritual values. Without a strong Church,

Our future presidents and prime ministers from what spiritual heritage shall they arise? The ultimate giants of science and industry what faith will they profess?

The fathers and mothers of our grandchildren and great-grandchildren - what convictions will be taught in their homes?

All this we are deciding today in our churches . . . in our families. For one generation can bequeath only to the next that which it, itself, possesses.

Our own religious life, our own determination to provide our children with thorough spiritual training, our own faithfulness in filling our churches with families - these positive purposes, expressed Sunday after Sunday, will mold TO-MORROW'S LEADERS.
