# ABUNDANT LIFE

by ORAL ROBERTS

## THE TRUTH ABOUT GOD

The most important subject in the universe is God. It is absolutely essential to the happiness of people to know God. Yet there are millions to whom God is an unreal, vague, mystical being. They do not know or understand Him.

Who is God? What is the truth about God? First, His rank is supreme. His power, rule and reign transcend all earthly rulers and all human thrones and powers. He knows no boundaries, either by miles or men.

Second, God is the source of all life. He created all life and made man His masterpiece. He made him a giant—spiritually, mentally, physically.

Third, God is the source of all power. He is the only self-existing Being. He is the only Being not dependent upon anything or anybody. Yet upon Him all other beings are dependent.

Fourth, God's youth is eternal. The word that best expresses God and is most descriptive of His being is the word *Jehovah*—the God who has been; the God who is now; the God who shall always be.

God Himself said, "I change not." He is forever young. God knew our finite minds

The Mount Joy Bulletin

When you are eight years old, it is not difficult to transform yourself suddenly into an Indian scout and to see a procession of chiefs, with their brightly colored feathered headdresses, galloping across the horizon astride magnificent stallions.

Children are fired with imagination, just as they are filled with faith. The faith of a child is something so simple and so beautiful that many an adult, viewing it, finds himself crying a little, deep down inside, for his own lost childhood and the touching innocence that was once his.

Yet before God, all men are children. His children, and Faith is there to be accepted, if men will but take it as a gift. The Church has the answer, showing you how to live like a man, while still possessing the heart of a child, helping you to get the very most out of life. If you haven't been to church lately, why not go this Sunday?

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Please go to church regularly and read your Bible daily.
