First aid after too much rain

Fertilize it right now!
The best help is provided by **SCOTTS TURF BUILDER**.
We suggest double rate application at Scotts Spreader
Setting No. 9. (2500 sq. ft. \$4.75)
This will revive and greatly strengthen the root structure.

Turf Builder, applied before Thanksgiving, strengthens roots, encourages tillering*

ONLY the top growth of grass need slow and stop as year's end approaches. Root growth goes on through fall and winter, except when the ground is actually frozen.

A final late season application of controlled release Turf Builder provides steady root growth, and assures sturdier grass next spring.

it's a Date, Bill!

And just who is Bill? A parent's mind stalls right in the middle of that intersection...
From what background has Bill come? In what moral direction is he heading? Where did Ruth meet him? Where will he take her?
Jolting the family's peace of mind, this sudden collision between confidence in our daughter and uncertainty about someone's son.
Another jolt: If Bill's parents are the right sort of people, they're probably wondering about our Ruth!
Many families have fewer such anxieties because they are active in the life of a church. Their boys and girls meet in an atmosphere that calls forth our best. Fun, friendship and inspiration are blended in worthwhile youth activities.
And if love blooms... no awkward compromise of conviction such as besets some... but a common faith in God to enrich a couple's affection and strengthen their marriage.

THE CHURCH FOR ALL

ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
