Sportsmen Show Plans Are Made

The Pennsylvania Recreation & Sportsmen's Show will be held at the Farm Show building, Harrisburg, February 6, 7, 8, 9, 10, 11, 1961.

The February Show will be considerably larger than the last Show with many new attractions and features. John Altland, director, stated today.

This year's show will be a buying Show, which is something new in the Sports Show field. Purchases may be made right at the Show, and for this reason, many new manufacturers of camping, fishing hunting and outdoor living equipment have taken exhibition space.

Mr. Altland added that this year's Show attractions will be by far the greatest ever staged by this Show.

Neighborly Gifts

Most folks have gift lists that include neighbors, used-to-be neighbors and others who are to be remembered with token gifts during the holiday season. For these friends food gifts, attractively packaged, are an ideal solution to this problem.

Pictured here are plastic refrigerator containers filled with such goodies as home-made fudge, spiced walnuts and other items that are easy to make at home, yet wonderful to receive. The plastic boxes should be filled and overwrapped with saran and decorated just before the gift is to be presented. The decorative flowers are made by wrapping attractive "store bought" candy in saran and fastening several pieces together with wire, adding leaves or ribbon. No one can help but be thrilled to receive such an attractive, wholesome gift. Here's a candy recipe suitable for this use.

Oriental Fudge

1 pound light brown sugar 3/4 cup evaporated milk
Few grains salt 1 teaspoon vanilla extract
1 tablespoon light corn syrup 1/4 cup finely cut candied ginger
1 tablespoon butter

Mix sugar, salt, syrup, butter and evaporated milk thoroughly in heavy saucepan. Stir over low heat until sugar is dissolved. Then cook over medium heat to soft ball stage (237° F.), stirring constantly. Cool. Stir in vanilla and finely cut candied ginger. Beat until mixture thickens and begins to lose its gloss. Turn into buttered pan. Mark in squares. Makes 1 1/2 pounds. Keep candy wrapped in saran until ready to pack. You can overwrap the whole pan.

When a handle is this clever it must attach to something wonderful—and it does!

CORNING WARE

One quick twist transforms Corning Ware from your most often-used cooking utensil to your most glamorous serving dish! Corning Ware is made of a super-ceramic (Pyroceram) developed for nose cones of guided missiles. It withstands highest extremes of heat and cold without damage. Fry, broil, roast, bake, serve in Corning Ware—easiest of all to clean!
