**BRIDGE TO GOD'S WORLD**  
The bridge, what a miracle! Tons of steel hanging in air . . . spanning miles of water . . . supporting an unending line of cars like so many ants.  
And what a boon to man! The bridge saves untold hours and opens up new vistas of life.  
The bridge of prayer, what a miracle! Spanning Heaven and Earth . . . carrying the needs and hopes of believing hearts. What a boon to man! The bridge of prayer opens up new paths of creative living and vistas into the realm of Heaven.  
In Church you can discover prayer—the bridge which leads to God's world.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Presbyterians To Show Film By Billy Graham**  
Billy Graham's historic 17,000 mile "Safari for Souls" on Saturday night Miss across Africa, is the theme Speer returned to Mount Joy of a new feature length motion picture, "Africa On The Bridge", which will be shown at the First Presbyterian church of Mount Joy on Feb. 2 at 7:30 p.m.  
Photographed in authentic sound and natural color in 17 principal cities across Africa from Morocco, Liberia, to Cairo, Egypt, the document captures the spirit of Africa during these current crucial years. Frequently called "The Awakening Giant", Africa is depicted to be in a transition period - between ancient tribalism and the shining goal of independence from colonial rule.  
During this significant period, American Evangelist Billy Graham was accorded an unprecedented welcome by Africans ranging from Chiefs of State down to the general population of bush, desert, and jungle.  
"Africa On The Bridge" has great pictorial scope, ranging from sequences depicting primitive village life to scenes of modern city and industrial activity. Exciting and colorful pagan rites and ceremonies are featured, together with some of the most remarkable big-game footage ever filmed.
