small in size...smart in style ...AND IT HAS A LIGHTED DIAL

Starlite is less than half the size of a regular phone. It takes less space on a table or desk. Now you can have a step-saving extension at hand even where space is limited.

Starlite is style-right wherever you place it. Whether in the kitchen, living room, or at your bedside, Starlite's modern beauty complements your decor. And you can choose from six colors: white, ivory, beige, pink, blue, turquoise.

Starlite has a lighted dial. It glows in the dark so you can find the phone quickly-makes a handy night light, too! You can turn the dial light from soft to bright, any time.

You'll love this sparkling new telephone . and so will your friends. Order your Starlite today. It costs only pennies a day, Just call our Business
