PROCLAMATION

WHEREAS, The American Legion, dedicated to service for God and Country, has become one of the great bulwarks of the American way of life through its leadership in all movements designed to promote a dynamic conviction of Americanism for the preservation of our freedoms and free institutions; and WHEREAS, The American Legion, whose members have served in the Twentieth Century's three wars, will celebrate the 42nd anniversary of its birth, March 15 to 17, 1961, marking the completion of 42 years of patriotic labors which have had a great and beneficial impact on the welfare and security of America;

NOW, THEREFORE, I Frank B. Walter, Burgess of the Borough of Mount Joy, do hereby proclaim the week of March 12 to 18, 1961, as AMERICAN LEGION BIRTHDAY WEEK, and do call upon all citizens and all organizations to join in paying tribute to the good works of The American Legion as a token of the public appreciation of the wartime and peacetime services of local Legionnaires.

In Witness Whereof, I have hereunto set my hand and caused to be affixed the Seal of the Borough of Mount Joy on this 21st day of February in the year of our Lord 1961.

FRANK B. WALTER, Burgess

Talk along Main street this week concerning the reconstruction of the main thoroughfare through the borough was all favorable.

A lot of people thought they would never see the day and others still are hopeful but will "believe it when they see it."

Although there is no official word to date, it is an informed opinion that bids will be let for the work (estimated now at \$450,000) sometime next fall or winter and construction will be on the next summer.

With more than a year's time, it will be an awful if every utility - gas, water, sewer, etc. - is not in first class order to minimize breaking the new street for many months after it is installed.

One of the great pitfalls is the way Donegal Springs road and Donegal street have been dug up within on a few months after the blacktop was put down the state.

As many people in the community know, apparently the Mount Joy Presbyterian church offers a daily telephone service called "Strength For Today."

Anyone who is interested in a brief, transcribed ritual and inspirational message by the Rev. Richard Todd, pastor. A new and different transcription is made each day.
