SCOTT'S

takes just 1 hour to feed and seed

Easy does it. No need to dig up and start over. The Scotts seed you add to your present lawn makes all the difference! All-perennial FAMILY gives a lawn that's long on looks, takes lots of wear, needs little care. Start it off right! Apply non-burning TURF BUILDER the same day you seed... steady-feeds new and established grass. Seed and feed in just one hour, with the precise Scotts Spreader.

**MORE PEOPLE ARE
BUYING CHEVROLETS
THAN ANY OTHER MAKE!**

When one car outsells all the rest the way this new Chevrolet is doing—there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960—and Chevrolets continue to set the pace for the industry this year!

**AND JUST ONE
JET-SMOOTH
RIDE WILL
SHOW YOU
WHY!**
