HOME

What is home? A blend of memories and mortar... walls and roof and smells of breakfast cooking... a place of rest at the end of day... a feeling of possession, of belonging... a place of hates, loves, anger... the center of things living.

Home may be a mansion on a hill, a cramped apartment, a farmhouse, a hotel, a new suburban split-level, the house Father built... but only to you and your family is it home. No one else may call it that. For home is a part of you!

Centuries ago a shepherd-poet felt this. Weary, lonely seasons on the grazing slopes had taught him to love... to long for... HOME.

But he realized that, through this life and beyond, the nearness of God is part of the sense of home. Goodness and mercy would follow him all the days of his life. And he would dwell in the house of the Lord forever!

Give the Church and its Truth a place in your home. And God's presence will give eternal meaning to that home.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
