When someone says, "Your Johnny's just like you," is it a compliment, or is it an accusation? Whether you like it or not, children do follow in their parents' footsteps.

Johnny learns that kindness and courtesy are virtues, because you are kind and courteous. He learns to love good books and music, because you love them. He learns, through your example, to speak truthfully.

And if going to church and church school regularly is also a part of your usual routine, Johnny will develop that habit just as he has these others.

Then it is a compliment when someone says, "Your Johnny's just like you," for you are doing all within your power to lead him in the right direction.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
