How to keep a cool party line all summer

Just keep your calls brief—give everyone an equal chance to make and receive calls. Your party line will be "cool" and your telephone neighbors won't be "hot under the collar." This means better service for everyone... including you.

The climate couldn't be better for buying a new

JET-SMOOTH CHEVROLET

(and that's the car more people are buying!)
Take those June skies and breezes. Add a spankin' new Jet-smooth Chevy. Presto, you've got all the makings of a roamin' holiday. That low-loading deep-well trunk swallows up most everything you'd want to pack along. The carefully crafted Body by Fisher has you livin' in luxury (and in comfort-high seats where the sight-seein' comes easy). That Jet-smooth Chevy ride, with a sinewy Full Coil spring at each wheel, gentles you past all the wrinkles and ruts in the roads (there's even a team of over 700 behind-the-scenes "shock absorbers" to hush up road surface mumbblings and grumbblings). All in all, Chevy's light-steerin', easy-goin' ways just don't leave much for you to do but feel good. And that's exactly the way your Chevrolet dealer wants you to feel—as you can plainly see in those beautiful June buys he's got bustin' out all over.

Air conditioning—an extra-cost option that gives you fingertip temperature control. Try it.
