When you buy a new car, be sure a good dealer comes with it!

Add it all up and you've got to agree: It pays to deal with your Ford Dealer. • First, you get Ford's low prices—usually the lowest, whether it's a Ford or a Falcon or a Ford Truck. • Second, you get a wide choice. Pick the model and the price that suits you. No compromising, no "second bests." • Third, you get a car that's designed to save more while you drive. Ford is beautifully built to take care of itself. • Fourth, you'll get a better trade-in allowance for your old car, because we are volume dealers in used cars, too. • Fifth, you get service. Prompt service. Expert service. No corner service station can equal our stock of parts, our equipment, or our trained Ford mechanics. • Sixth, you get the best credit terms possible... including low interest rates. • Seventh, and most important, you're dealing with your friends and neighbors at your Ford Dealer's. We want you as a lifetime customer, so we go to every length to serve you. Now's the time to prove it. Now's the time to Stop, Swap and Save!
