## HOW MANY CANDLES?

Do you count the candles on your birthday cake? Why bother? Once you're past sweet sixteen, it doesn't matter how many candles you're entitled to. What counts is what you're doing with those years.

The years that are past have burned themselves out. Perhaps they have been all you've wanted them to be—but, if you're like most of us, maybe you could have made them a little better.

One of God's greatest gifts is the marvelous fact that it's never too late to begin again.

Birthdays remind us of the passing of time, of a new life. Celebrate your birthday by giving. Give something of yourself, by going to your church and taking part in its activities, especially those that help others. Next year, the added candle on your cake will burn with a special brightness!

### THE CHURCH FOR ALL

ALL FOR THE CHURCH  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
