A GOOD JOB

Billy's getting bigger, and Susie's catching up. And Mom—like any proud mother—is delighted. Their physical progress is one indication that she's doing a good job.

But is she being just as careful about other, equally vital parts of that job? Is she also measuring their spiritual progress? As it happens, she is. Billy and Susie are both already going to church and church school.

If you have been thinking that your own children are too young to begin their religious education, why not give them the chance to measure up spiritually, as well as physically? They're apt to surprise you!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Copy may be delivered at the office or dropped through the mail slot in the front door during Tuesday nights. ABUNDANT LIFE

by ORAL ROBERTS

HOW TO CHANGE THE WORLD

From the moment Jesus was born, the earth was changed. In a short time news of His birth spread. Shepherds abandoned their flocks to come to His birthplace. Wise men traveled for days across desert sands, following His star.

And thirty years later, when Jesus began His ministry, the world was changed again. His tradition-breaking doctrine of a loving Father who is concerned about His children swept across the nations like a wind-blown fire across a prairie. The words and teachings of Christ were burned indelibly into the minds of a group of people who believed in Him. These words and teachings have been recorded and passed on to us today.

Who can count the millions of people who have been illumined and lifted by them!

Christ is not the only individual whose life has made a lasting mark on society. Many other men, by their personal lives, have shaped the destiny of mankind. But unlike Christ's influence was not always for the best.

Alexander the Great will never be forgotten because of his conquering armies which swept over the world. Napoleon

had such great power that all the nations of the world trembled before him. Hitler so cruelly made his mark that the wounds have not healed to this day. The lives of these men testify to the power of single individuals.

You and I working with Christ can change the world! Even as He brought healing, love, understanding, and freedom from the chains of sin and tradition, we can change the world we live in today for the better.

Christ said to His followers: "He that believeth on me, the works that I do shall he do also; and greater works than these shall he do..."

Perhaps you have thought that what you do has no effect on the world, but your actions and attitudes are important. What you do affects your community, your church, your town, your social contacts and, above all, your family. You have a personal contribution to make — an important one. It could win the lost to Christ.

As you use your actions and influence to work for the kingdom of God, an amazing thing will happen to you. You will experience abundant life.

You can change the world!
