## the Church Family Robinson

Symbolic—  
that's what I call  
this picture!

The Robinsons don't go to my church — they belong to another.

But I'll tell you there are no finer people in our town than Cliff and Berta, and their kids, Polly and Joe. They're good neighbors . . . friends who'd stick by you in trouble . . . people with standards, ideals.

And other folks around town feel the same way about the Robinsons. Tradepeople say it's a pleasure to do business with them. Community leaders admire the way they pitch in and help.

So I say this picture is symbolic. For if we'd stop and figure WHAT MAKES FINE PEOPLE LIKE THE ROBINSONS . . . why this whole town would be in church next Sunday!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
