The motor was "drowned out", her car lost its brakes

Mrs. Little scrambled out of the car the best she could onto the trunk lid and began calling for help.
Russel Swarr called Friendship Fire company for help and then went to her aid.
Firemen and Swarr's tractor were used to pull the car out of the water.

Thomas Nast created the symbol of the elephant for the Republican party and the donkey for the Democratic party.

There are times when the Mount Joy Friendship Fire company answers calls for help and finds that scarcity of water hampers their cause.
Such was not the case on Monday afternoon!
Instead, the situation of distress was one in which there was too much water. In fact, it was "too much water" which caused the company to be called.
