THE LION'S SHARE

The lion that can roar the loudest and bite the hardest usually gets what he wants.

That's the way it is in the animal kingdom, and sometimes the system creeps into man's world too!

Most of us have too much RELIGIOUS AWARENESS to believe that such a system is the best one. We would rather live in a world in which kindness and peace and unselfishness were the rule.

Our Churches can help us build such a world. They can turn our religious awareness into SPIRITUAL GROWTH.

On Sunday morning, the man in the armchair knows just as well as the man in the pew what is wrong with the world. But the man in the pew will be busy doing something about it!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
