## ABIDING FAITH

In the quiet safety of her own home she is learning to pray, to trust in God. As she grows older she will learn that other people pray too; that other people have faith.

Sunday School will thrill her from the very first day, and her faith will grow as she learns more of the Heavenly Father's love. The Church, with its beautiful sanctuary, its inspiring music, its worshipful atmosphere, will give her a sense of reverence, of nearness to God.

As she grows, her love for the Church and for God will grow, too. All through life the faith she learned when she was a tiny girl will provide a sanctuary and protect her during the many trials of life.

Are YOU helping YOUR child acquire this abiding faith?

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
