THE CHURCH FOR ALL... ALL FOR THE CHURCH

How Important is an Inch

Not long ago Genevieve was thirty-seven inches tall. Soon she'll be thirty-eight. Just how important is that next inch?

It's all-important! Without that inch her growth will cease.

Folks sometimes underestimate the importance of a Sunday in Church or Sunday School. What difference, they think, can just one Sunday make?

But every day of worship or religious instruction adds its *inch* to our spiritual growth. And whenever we neglect the soul's needs, then, temporarily at least, growth ceases.

Children, and adults, too, need to keep on growing spiritually. How different our world could be if all of us reached the spiritual maturity God wants men to attain. A Sunday, like an inch, is important. Next Sunday is all-important for all of us!
