CONTROL TOWER

THE CHURCH FOR ALL...
ALL FOR THE CHURCH

The Church is the greatest factor on
earth for the building of character and
good citizenship. It is a storehouse of
spiritual values. Without a strong
Church, neither democracy nor civiliza-
tion can survive. There are four
sound reasons why every person should
attend services regularly and support
the Church. They are: (1) For his
own sake. (2) For his children's sake.
(3) For the sake of his community
and nation. (4) For the sake of the
Church itself, which needs his moral
and material support. Plan to go to
church regularly and read your Bible
daily.

Clearance, weather information, assigned altitudes and airways,
landing instructions... we take these for granted. We simply fly from
point to point, our progress and safety undergirded by an intricate web
of scientific communication.

Perhaps that's why, today, so many assume that some celestial sys-
tem ought to assure everyone comfort, success and happiness.

But the control tower can operate only because every pilot respects
its purpose and has faith in its instructions.

Our moral progress and our spiritual security are the constant con-
cern of the Church. Its worship and guidance undergird the lives of all
who respect its Purpose, and have faith in the truths of God which it
teaches.
