P.P.&L. Offers New Movie

Pennsylvania Power and Light Company's new full-color motion picture — entitled "The Magic Switch" won a first place award in an international contest among investor-owned utilities. The award was made last week at the public utility advertising association (PUAA) convention in Montreal, Quebec, Canada.

PP&L produced the film to clearly define the close relationship the company and the electric industry have to the customer, the community, and the nation at large.

The 23-minute prize-winning motion picture was 16 months in production. More than 8,000 feet of film was edited to reduce the picture to its present 800 feet. The film illustrates how PP&L plans and builds to meet its customers' needs.

"The Magic Switch, an institutional film, is currently being shown to various service organizations throughout the service area, and is available to interested groups. Any organization desiring a showing of the film is asked to contact its local PP&L office.

If you want it to be a short summer, just sign a 90-day note.

Annex Holds Council Election

"There's no match for Gratch" and Sing Along with Mitch" were two of the many slogans on the lips of Annex students last week. The seventh and eighth graders were busy campaigning for their favorite candidate for Student Council president.

The candidates were: Mitchell Albert, son of Mr. and Mrs. George Albert, 130 New Haven Street, Mount Joy; Michael Gratch, son of Dr. and Mrs. Michael Gratch, 1 Eleanor Drive, Maytown; Elizabeth O'Connor, daughter of Dr. and Mrs. Thomas W. O'Connor, 4 East Main Street, Mount Joy; and William Sprecher, son of Mr. and Mrs. Arthur Sprecher, of 120 East Donegal St., Mount Joy.

Campaign buttons were the order of the day. A paper light bulb pinned to a shirt proclaimed that "Bright vote for Bill" and the big O meant an O'Connor rooster was nearby. Sticks of gum in a little folder were handed to each student suggesting they "Stick with Mitch". Suckers for all were forthcoming from other candidates. Jingles were composed, some with music as well as words.

All of this was frivolous and fun but it also gave the students a taste of politics at work.

To those people who are actively involved in electing their candidate for governor in November, the campaign at the Donegal Annex may seem unimportant. However, if the adults of this country could only ape their enthusiasm, our percentage of voters using their franchise would be 100 per cent. The excitement is over. On Monday, the Annex voted. "Mitch" Albert won. Now, as good Americans, the Annex students are once more united and wish the new president well.
