THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lonely, gnarled, and neglected, but a thing of beauty, isn't it?

We know that trees are functional, that is, they hold the soil, the good earth, the rain. But more than that, each tree, in loneliness or forest, sings out the praises of its Creator, God.

Much more so, does man reflect the glory and image of God. He too then, must sing out the praise and honor to God, his Creator. There is a place for that worship and honor; it is your church. Whether lonely, solitary, or in crowds, He awaits you... to hear and to answer.
