Lauas Service Of Firemen

Governor Lawrence designated Sept. 30 to Oct. 7, 1962 as "Volunteer Firemen's Week in Pennsylvania" and issued the following statement:

"The volunteer fireman is an important factor in community life. In preponderance of Pennsylvania communities his dedication and diligence in the protection of the lives and property of his fellow citizens are a continuing reflection of the great cooperative spirit that has been inherited from our forefathers down through the years.

"The protection offered by the volunteer firemen is a magnificent public service and the protection that could be achieved in no other practical way."
