ABUNDANT LIFE

by ORAL ROBERTS

HOW TO GET YOUR BEARING

A large passenger plane bound for Hawaii took off from the great airport in San Francisco. Sometime later, as the pilot checked his course over the Pacific Ocean, one engine began to sputter, then stopped completely.

Immediately, the pilot turned the plane around to return to San Francisco, since it was only 300 miles behind. Hawaii lay nearly 2,000 miles away.

In a short while the pilot was approaching San Francisco, but a heavy fog had settled over the bay area. The pilot though he had instruments, was not sure of the direction in which he was flying.

He turned to his copilot and said, "There is a mountain east of the city and its top will be above the fog. There is a cemetery on top of the mountain; one of the tombs has a tall cross on it. Let's fly toward the mountain and if I can find the arms of that cross, I can land the plane safely."

Rising above the heavy bank of fog, the pilot of the plane soon saw the mountain and found the cross standing in the cemetery. Taking his bearing from the arms of the cross, he was soon able to land the plane safely.

Do you often feel as if you are lost in the fog of trouble, worry and despair that surrounds you? Do you ever feel that you have lost your bearings—your sense of values and direction?

When your way is not clear or your journey is hindered, find the arms of the cross. When you find the cross, you will find the Master Pilot—Jesus Christ.

Christ is the Master Navigator. He has never been lost. The fog of doubt has never confused Him, and the fury of the storms of life has never been able to turn Him from His course.

During a storm on the Sea of Galilee, when the sea was raging and the waves were tossing high, Jesus raised His hand and said, "Peace, be still." Immediately the tempest-tossed little boat began to stop its wild pitching and rocking as the wind and sea obeyed the command of the Master. The disciples, cowering in the bottom of the boat, were only too glad that Christ had taken the helm and become their Pilot.

Today, that same Master Pilot is ready to help you. He is not a dead Christ, but a live, vigorous, real person. As you turn to the cross, He will help you arrive at your destination.
