Visit your Ford Dealer before you buy any other new car.

Here's what you'll find: a new kind of total-car durability, a new

kind of handling ability, a suspension that is startlingly smooth

yet sticks to the road like tar. If you haven't driven one lately,

you can't really know what a new Ford is like. Remember, if it's

built by Ford, it's built for performance...total performance!

FORD SWEPT THE FIRST

Daytona's big, banked oval puts unbelievable stresses and

strains on engines, steering gears and frames. The Fords that

won at Daytona took all the punishment this famous track

could dish out over 500 miles of grueling competition with-

In this toughest of all stock car events, mechanical failures

claimed over fifty per cent of the starting field. But of twelve

Fords entered, nine went the distance. Ford took six of the

Five-hundred-mile events like Daytona are a public demonstration of toughness, reliability and sheer engineering excel-

lence that are part of the new generation of Fords. A test like this can't be duplicated on anybody's testing grounds-it's run

right out in the open. Any car can enter. But only the car that
