BRIEFER THE BETTER
Best way to make a speech: Have a good beginning and a good ending and keep them close together.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Time was when it took a month for a letter to get from one city to another, and such things as radio and television were unheard of.

Now we don't think in terms of miles — we think in terms of the time it takes to span them, and it doesn't take long to get around the world.

As for communications — well, they're instantaneous, these days.

But for all of that, we seem to find it just as hard to understand one another as we ever did.

Only one form of communication hasn't changed... God's method of communication. He speaks to you through His Church, and through a Bible that has survived the centuries. Go to church this Sunday, every Sunday, and hear His message for yourself.
