Florin area residents is scheduled to begin soon . . .

A new church has come to town — the Full Gospel Deliverance church—on the first floor of the old Methodist Church at Main and Market streets, which is now the home of the local Masonic lodge . . .

As always, travelers from the Mount Joy area have been going hither and yon, even to the two newest states, Hawaii and Alaska, and to Europe. Willis Freed, local accountant, left July 27 for two weeks by jet in Hawaii. Ulrich are at present in Europe and Carolyn Sloan, daughter of Mr. and Mrs. Walter Sloan, will be going soon . . .

A number of local people have discovered for themselves this summer the satisfaction of owning a travel trailer and of "seeing the world" this modern and comfortable way. Mr. and Mrs. G. F. Naugle are perhaps the newest converts to this mode of travel. Others already enjoying it include the Frank Hassingers, the Clyde Nissleys, the Dr. James Elvins, the Paul Martins Sr., and the editor and his family . . .

The Union National bank has begun excavation for a fine new addition to its building . . . an antique shop is due to open in town soon . . . painting up and fixing has been going on all over town all summer . . . a record number of children have had the fun of "sleeping out" in their yards and porches, because of the warm weather.

All in all, it has been a good summer, and one which we will remember with pleasure when the wintry winds begin to blow!

There are presently 133 pupils enrolled in the instrumental music program of the Donegal Union District. 25 of these pupils are preparing their District Band tryout solos for next year. The remaining students are either preparing solos, or technical studies. A trophy will be presented to the boy or girl who makes the most progress during the summer course. The program is still open to new students.

Arts & Crafts

The beginners at Mt. Joy and Florin made elephant puppets of various colors this week. Intermediates worked on shell jewelry and seniors began working with popsicle sticks. Two new popsicle stick items this year were hot plates and newspaper racks.

The special last week was

campaign. A chart was compiled to show what numbers are assigned to what doors.

And, at present most houses are displaying their numbers. Some, however, still do not have their numbers.

Both numbers and a suitable mail box or door slot must be at each home before door delivery is to be made.

As part of the service they are doing for the community, the Lions are selling numbers which may be attached to the doors and also mail boxes and mail slots. The Lions will canvas the area again next week to take orders.

Ben Staley is chairman of the project.

For information concerning numbering and boxes, residents may contact either Postmaster Jack Liggins or Jay Snyder.

Florin Firemen Host Zone 7

Florin Fire Company men were hosts to the Zone 7 Lancaster Firemen's Association Friday night at the Florin Hall. Approximately 90 members attended the meeting, with the important issue being what Harrisburg has NOT done for the volunteer Fire Company men. The State legislature, ready to adjourn, has done nothing to aid the firemen. They has asked:

1. to be exonerated from paying tolls.
 2. to be reimbursed for tanks, such as oxygen, used on the turnpike.
 3. to have flashing red lights on fire equipment and ambulances only; all others to have amber lights.
 4. to receive some compensations for aid to the state colleges.
 5. to legalize Bingo.
- The firemen will continue to fight for passage of the bills.
