15 PP&L SCHOLARSHIPS
Under 2 separate programs

Teaching, engineering, journalism, medicine, mathematics, biology, forestry, agriculture, the ministry—no matter what the chosen career—PP&L's scholarship programs offer opportunities for deserving high school seniors in need of financial help to continue their education.

These scholarships are available to young men and women whose parents are customers of the Company. If you know of qualified

high school seniors, have them look into the PP&L scholarship programs. Details are available in all high schools in the Company's service area.

Remember, tomorrow's leaders will be college-educated men and women. Your encouragement may help some youngster to an opportunity that might not otherwise be available.
