Prayer Of The Week

The prayer this week is by Erasmus:

"O Thou, who are the true Sun of the world, ever rising, and never going down; who, by Thy most wholesome appearing and sight dost nourish, and gladden all things, in heaven and earth; we beseech Thee mercifully to shine into our hearts, that the night and darkness of sin, and the mists of error on every side, being driven away, by the brightness of Thy shining within our hearts, we may all our life walk without stumbling, as in the daytime, and, being pure and clean from the works of darkness, may abound in all good works which Thou hast prepared for us to walk in. Amen.
