Some 9.5 million kilowatts of generating capacity have been put in operation during the first 9 months of this year. Oakes said the 1963 summer peak load for the industry was 160.2 million kilo-watts — 7.5 per cent above the summer peak load a year ago.

"She was a sweetheart from the day she was born." This is the way her mother

describes winsome, bright little Mary Lou Graves, 5, of Flint, Mich., who has been named the 1964 National March of Dimes Child.

Blonde, blue-eyed, vivacious Mary Lou is indeed a sweet-heart, but one who has had more than her share of sadness. She was born with a birth de-fect called spina bifida, which means that the base of her spine was not closed properly. At the was not closed properly. At the age of one month, she underwent an operation to correct this condition. Since then, Mary Lou has fought to be able to walk, and sometimes, she has had to fight to live.

Today, the lower part of her body is paralyzed, and she is extremely vulnerable to infec-tions. In spite of this, Mary Lou is a cheerful little girl de-

visor to this group.

50TH ANNIVERSARY

Mr. and Mrs. Vernon Gotshall, 301 West Donegal, were guests of honor at a party on Sunday, Oct. 27, in celebra-tion of their 50th wedding anniversary. The party was held at the home of a granddaughter and her husband, Mr. and Mrs. Glen Bergman, Lititz R3.

Mr. and Mrs. Gotshall were married Oct. 28, 1913. They have three children, Charles of Market Avenue, Mount Joy; Mrs. Earl Balmer, Mt. Joy, and Mrs. John Gantz of Manheim. Mr. Gotshall is now retir-ed, but worked for many years at the Bachman Choco-Marietta late company.

All the flowers of all the tomorrows are in the seeds of today.
