MOUNT JOY, PA. WEDNESDAY, NOVEMBER 6, 1963

SEVEN CENTS

by R. A. R.

Mount Joy community deserves to be congratulated on the way it observed Halloween this year!

Although there were a few rough places during the pre-Halloween season, generally speaking the vandalism was at a minimum. The prank players kept within bounds and property damage was at a minimum.

Let's assume that there were two reasons — the boys and girls were being a little more considerate and their parents were keeping their youngsters under control and secondly, the police department had a good, stout force of officers on the streets.

To discuss how the officers worked would be to reveal a trade secret. Suffice it to say that the officers, both uniformed and plain clothes, were well organized.

The "trick or treat" crowd, meaning the little ones, with few exceptions held their activities to the single night decreed by Mayor Walter. It was an improvement over the week or 10-day siege of other years.

Then on Thursday night, despite the threatening weather, the Lions club staged Mount Joy's biggest and best Halloween parade.

It took 50 minutes for the eight-band parade to pass a given point and from the beautifully-matched Penna. State Police horses to the Zembo Drum & Bugle Corps, the parade was a dandy.

In connection with the discussion about the numbering of doors in Mount Joy, the matter of who has been mail carriers in the borough has arisen.

The following list has been compiled by one person who has been close to the mail service. West ward — Carl Krall, Harry Smith, Statler Kuhn, Mahlon Foreman and Gerald Hostetter.

East ward — Walter Loraw Frank Germer, Bruce Greiner and John Miller.

A Mount Joy woman came across a June 13, 1940, copy of the Bulletin and sent it to the Bulletin by a neighbor, Earl Miller.

Perhaps the paper had been saved because of the big (Turn to page 9)

## D.H.S. Shares Grid Crown

This Is The Step Which Gave 'Em The Pep

A scoring champ takes off! Roger Grove, Donegal high school's ace halfback, leaves a Columbia would-be tackler empty handed and frustrated as he tucks the ball under his arm and looks upfield—seeking the best path toward the goal. He scored two of Donegal's touchdowns and tossed another touchdown pass Saturday, as the Indians won, 20-0, over the Tide. In a way, the above picture tells the story of the 1963 Donegal grid season. A fast, shifty runner with an uncanny eye for picking his way through a broken field, Grove has stacked up the 1963 Conference of Roses scoring title and has led the Indians to their best season in football history—a third share of the championship

## RAP COLUMBIA TO LAND IN TIE; ONE MORE GAME

The race for the roses is completed. And—

Donegal's flashing Indians have gone the distance to win a tie for the title!!

It was a long long road from 1956. There were seasons almost without end when there were no victories at all. But—

This season has been different!

Saturday afternoon the Tribe, guided by Al Brooks, ground down Columbia's

high splashing Tide, 20 to 0, and claimed a share of the 1963 Conference of Roses championship.

It was a wonderful climax to the eight-game league schedule and the fact that Manheim Township and Red Lion share top billing takes little of the lustre from the glory.

With still one game remaining—Saturday at Manheim Central—Donegal has eight triumphs and a single loss for the season. Only Red Lion can match that record.

So many years has Donegal finished so far down the list that recitation of the record is too painful to mention.

But 1963 was different — from the start, starting with a win over Hempfield and (From page 4)

## Council Meets In Private With Lawyer

Mount Joy Borough Council meeting was a two-part affair Monday night as members held an hour and a half November meeting and then followed with an hour's executive, closed-door parley with its solicitor.

In neither session was significant business transacted.

Action was taken to buy 900 feet of snow fence, at a price of \$8.30 per 50 foot roll, to place along Pinkerton road in an effort to cut down drifting snow problems in that area.

To provide figures for qualifying for state and county aid for street repairs, a census must be taken of the Mount Joy area which was recently annexed, President George Groff said.

The council voted to pay 10 cents per name. It was estimated that there will be approximately 1,500 people listed. The enumeration is to be completed before the end of the year.

Elmer Forwood, south Market ave., was named to take the census.

Approval was given for a \$5,000 tax anticipation loan, needed to meet current revenues until other revenue becomes available.

A matter of police working hours was brought to the attention of the council by Mayor Frank Walter. He pointed out that the two members of the police force

are now working approximately 60 hours on regular schedule and are on call even longer.

To eliminate the problem, he said that it will be necessary to add another man to the force. He added that he believes that the borough can have more service without an increase of taxes.

He pointed out that there is more area and that there are more people for whom the borough must provide safety and protection since the annexation. It was pointed out that a three-man force automatically becomes civil service regulated.

The matter was directed to

## Claude Zeller Dies

Claude S. Zeller, 75, East Main street, died suddenly Wednesday morning, Nov. 6, at his home.

In failing health for several months, he had, however, been feeling better and Tuesday seemed in better spirits.

He was discovered dead at 5:30 a.m.

By trade he was a bricklayer. For many years he acted as a public sale clerk and was known throughout the area.

Funeral services will be held Saturday. Friends may call at the Heilig funeral home Friday evening between 7 and 9 p.m.

No action or discussion was had on a petition offered a month ago seeking elimination of the parking meters.

A letter from the Penna. highway department disclaimed responsibility for an alleged drainage problem along the north side of the

## 'Of This and That'

by the editor's wife

This week's column will be a "potpourri"—a collection of completely unrelated items of interest.

"Unrelated," that is, except that the first two do concern the famed Donegal Indians' football team, which is sharing the Conference of Roses championship this year with Red Lion and Manheim Twp.!

It seems that at the Elizabethtown game in October there was a young married couple in the large crowd. The boy was an E-town graduate, the girl a graduate of Donegal.

The outcome of the game put a severe "strain on the family tie" — to the extent that the young man said, "Let's not talk about it any more!"

So they didn't. But the young wife still had the last word. What did she serve her husband for supper but a piping hot "Donegal meat loaf!"

And from Marietta we learned that Frank's Steak shop promised several weeks ago that it would give each player on the Donegal team a steak sandwich if the team won the Conference title. The Marietta Theatre promised free passes!

Our sleuth this week reported that the boys are to have their steaks and their movie—a tie is as good as a win!

Another of our sleuths reported that "quints" were
