### TEACH CHILD MONEY VALUE

It doesn't take long for a teenager to discover that a dollar bill isn't very elastic. Help him learn to view with a clear eye and to buy the greatest possible number of things with the money he has, suggests Mrs. Marguerite Duvall, Penn State extension family life specialist. With training all along the way, he should be able to make wise decisions in money matters concerning the things he needs by the time he graduates from high school.

Unless it affects us personally, most of us can take bad news philosophically.

### FROZEN ORANGE JUICE

Frozen orange juice concentrate is recognized as one of the most important advances in food processing during the last 20 years, reports the U. S. Department of Agriculture. The frozen orange juice industry is now a \$300 million a year business.

Stairs are not designed for storage — keep steps free from all items all the time. If you have basement stairs without a guard rail, spend a few dollars and a few hours

work building a guard rail. It will be the best investment in safety you can make.

To make a living in the writing business you must say precisely what your readers have always thought.
